Minutes: The minutes from the July 5, 2025, meeting were approved.

Financial Report: Keith Ronchetti's written report (available at [palomar-fire.org](http://palomar-fire.org)) showed a balance of \$92,550.29, with an additional \$1220.29 held for CERT. The only change was some accrued interest income from the CD. The report was approved. Yvonne Vaucher asked what the money was kept for. Keith explained it was to cover insurance and fees for as long as needed because we do not have a revenue source for the Board.

Station 79 Report: Captain Kowalski introduced Captain Jason Nagano.

He explained that there are now 5 captains at Station 79 and they would be rotating attendance at future board meetings. The station is still short of 3 paramedics.

Defensible Space Inspections will be continuing, first to finish the areas not completed and then to re-inspect homes done 6 months or more ago.

Fires in the county continue to happen but have all been quickly contained so far this season

The county will be getting a C-130 tanker aircraft for firefighting soon.

Currently, medical transports from Station 79 are taking 3-5 hours.
